ht 410

Auto Programs

P1 Sore Muscle Relief
 Revitalizes the body while soothing sore and aching muscles. Feel refreshed and free of tension.

P2 Stress Therapy
 Refreshes the senses by easing away hard-to-work-out knots and kinks. Promotes deep relaxation after work or play.

P3 Back Wellness
 Keeps aches and pains at bay with a custom massage that melts away lumbar soreness and tension.

ROTATING, MULTI-SPEED FOOT AND CALF MASSAGER

Tight muscles have nowhere to hide. A powerful three-dimensional massage works feet and calves like a professional massage therapist.

4 PROFESSIONAL MASSAGE TECHNIQUES

Target any of the four expert massage techniques to your back's own trouble spots, for powerful, therapeutic relief. Massage techniques include Rolling, Kneading, Percussion and Compression.

POWER RECLINE

With the push of a button, the HT-410 reclines to a 170-degree angle.

3 INVIGORATING AUTO MASSAGE PROGRAMS

We've even taken the pain out of choosing which massage is right for you. Select from Sore Muscle Relief, Stress Therapy or Back Wellness for a 15-minute program that combines expert massage techniques to treat your specific needs and desires.

Control just about everything but your excitement.

Work. Traffic. The dog eating your tax refund. It's impossible to control all of life's stress, but you now have full control of a great way to alleviate it. The Human Touch[®] HT-410 massage chair makes it easy to customize its every movement to satisfy your every whim.

Choose from three newly designed 15-minute auto massage programs - Sore Muscle Relief, Stress Therapy and Back Wellness. Lie back on the ergonomic headrest and let the patented Human Touch[®] Massage System with its rotating foot and calf massager kick all that tension and stress to the curb. The HT-410 precisely follows the contour of your spine to deliver a therapeutic Massage that replicates the hands and techniques of an expert massage therapist. And you control it all with the ergonomic remote control. So sit back and relax. With the beautifully designed HT-410, your comfort, stress and wellness are well under control.
